32  
33 Appellant has received the attached, second Notification of Non-Compliant Appeal Brief, mailed  
34 12/14/2005, see attached Exhibit Triola A2.

35  
36 Contrary to a twice filed form PTO/SB122, this second Notice was sent to an invalid previous  
37 Correspondence Address. It is respectfully requested that this Change of Correspondence  
38 Address be made effective immediately. It is respectfully requested that the second  
39 Notification either be reissued to the appropriate address and with further explanation of its  
40 content, or be completely rescinded as already satisfied based on the following.

41  
42 In the second Notification, Examiner Backer has checked boxes 8, 9 and 10. Under number 10,  
43 "Other," Examiner Backer states inter alia: "Applicant needed provided [sic, needs to provide?]  
44 information on 9 and 10 whether or not they exist."

1 The Examiner's statement is not understood. How can one provide information that does not  
2 exist? Moreover, Appellant has already complied with checked box 9.

3  
4 On August 11, 2005, Appellant filed his RESPONSE TO NOTIFICATION OF NON-COMPLIANT  
5 APPEAL BRIEF in reply to a first Notification which similarly checked box 9 only. The  
6 Response was filed, despite a verbal confirmation from Supervisory Examiner J. Trammel that it  
7 was understood to be withdrawn, because a Petition in that matter was not issued until the 30-  
8 day deadline.

9  
10 That RESPONSE included a replacement brief along with an explanation of the changes,  
11 including the "addition of Page 62 of 62" providing an Appendix page titled "RELATED  
12 APPEALS AND INTERFERENCES APPENDIX,"compliant with the USPTO request for a page  
13 stating the fact that "There are no related appeals nor interferences." (as also stated on page 3  
14 of the Brief). Seemingly, Examiner Backer has ignored Appellant's August 11, 2005 filing.

15  
16 That RESPONSE also filed a copy of the original SB/97 Correspondence Address change.

17  
18 With respect to box 8, the cited regulation 41.37(c)(1)(ix) requires an "Evidence Appendix."

19  
20 Said Evidence Appendix is and has from the first also been already included in the Brief, page  
21 61, with included originally filed Exhibits appropriately stamped as associated with the Appellant  
22 Triola and as referred to in the text of the Brief with statements as to their context to Appellant's  
23 arguments. There are no Affidavits relied upon under Sec. 1.130, 1.131 or 1.132 in the Appeal  
24 Brief. Examiner Backer gives no indication as to any inadequacy of the already provided  
25 Appendix and Exhibits.

26  
27 The second Notification is in error or, at the least, incomprehensible as not providing an  
28 explanation of the Examiner's opinion of what is still allegedly missing. The Notification requires  
29 that: "to avoid dismissal of the appeal, applicant must file a complete new brief...". Such a "new  
30 brief" would be identical to the brief on file. Therefore, appellant respectfully Petitions the Office  
31 to immediately to exercise Supervisory Authority to:

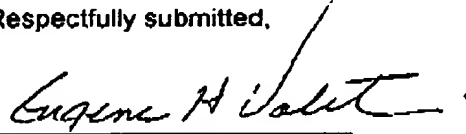

- 1 (1) Withdraw the 12/14/2005 Notification of Non-Compliant Appeal Brief, and  
2 (2) Remove the requirement that "applicant must file a complete new brief."

3  
4 In view of the 30 day time period set to expire on Jan. 14, 2005, appellant respectfully requests  
5 that a written response to this Petition be sent by facsimile transmission to the undersigned as  
6 soon as possible and no later than January 10, 2006, to avoid the need of filing an exact  
7 duplicate of the on file Appeal Brief which does nothing to advance prosecution and under  
8 MPEP 904.03, "...adds to the burden and cost of prosecution. ..."

9  
10 Questions or a teleconference may be directed to the undersigned at 904-261-9992, EST  
11 business hours 9 a.m.-11 a.m. and 1 p.m.-4 p.m.

12
